

My **Speak to Students** Commitment

I value my relationships with schools, educators and students.

I strive to deliver an outstanding experience for EVERY school, EVERY teacher, and EVERY student, EACH and EVERY DAY, and in EACH and EVERY PRESENTATION.

This means **Speak to Students** programs will strive to ...

For Schools & Teachers

- ☑ Make it EASY to schedule and host a day of presentations and workshops
- ☑ Flexible to mix and match presentation topics and format of delivery. I'll stay for an hour or for a day!
- ☑ Provide follow up materials and access to online programs included with each presentation
- ☑ Provide an outside voice to reinforce curriculum and connect school with a student's world.
- ☑ Affordably priced with additional online and community partnership development opportunities

For Your Students

- ☑ Encourage participation with an interactive and entertaining delivery style *(to increase learning and retention too!)*
- ☑ Demonstrate relevance to your students studies and life outside the classroom
- ☑ Entertain your students with stories and examples that students can relate to their life
- ☑ Provide optional follow up opportunities and materials to enhance student experience
- ☑ Get Them Out of Class!!! *(A fun break from the norm without even knowing they are learning—shhh!)*

Your students are very important to me. I appreciate and value the trust you place in **Speak to Students** by allowing me to **SPEAK to YOUR STUDENTS.**
